

CALL FOR PAPERS

DECEMBER 4-6, 2026 | KYOTO, JAPAN

It is with great pleasure that we welcome you to the 4th Asia Symposium on Image and Graphics (ASIG 2026), to be held during December 4-6, 2026 in Kyoto, Japan. ASIG 2026 is hosted by Ritsumeikan University, Japan.

The advancements in computer vision, machine learning, and other related fields have led to an explosion of new techniques, tools, and applications for image and graphics processing. From deep learning-based image recognition to generative adversarial networks (GANs) for image synthesis, the possibilities are endless. This symposium provides a unique opportunity to exchange knowledge and ideas, as well as to network with leading experts in the field. We are excited to bring together researchers, engineers, and practitioners from around the world to share their latest findings, discuss emerging trends, and explore new directions.

CALL FOR PAPERS

Track 1. Image Processing and Analysis

- Image enhancement, restoration, and filtering
- Image segmentation and object detection
- Image compression, coding, and transmission

Track 2. Computer Vision and Pattern Recognition

- Object detection, tracking, and recognition
- 3D vision and reconstruction
- Motion analysis and action recognition

Track 3. Graphics and Visualization

- Rendering techniques (real-time, photorealistic, non-photorealistic)
- Geometric modeling and processing
- Animation, simulation, and virtual reality

Track 4. Machine Learning and AI for Image and Graphics

- Deep learning for image and graphics applications
- Generative models (GANs, VAEs, diffusion models)
- Reinforcement learning in visual tasks

Track 5. Multimedia Systems and Applications

- Multimedia content analysis and retrieval
- Multimedia compression and streaming
- Interactive multimedia systems and user interfaces

Track 6. Emerging Technologies and Interdisciplinary Applications

- Quantum image processing and computing
- Neuromorphic computing for image and graphics
- Edge and fog computing for visual data processing

SUBMISSION GUIDELINE

>>>Submission Requirements

- 1) Language
English is the official language of the conference; the paper should be written and presented only in English.
- 2) Template Download ([Full Paper](#)) ([Abstract](#))
- 3) Submission Types
* Abstract submission for presentation only without publication.
* Full paper submission for both presentation and publication.
- 4) Paper Length
For ACM publication, full paper should be no less than 8 pages, in the 1-column format, including all the possible appendices.
For Springer publication, full paper should be no less than 10 pages, in the 1-column format, including all the possible appendices. Any paper of more than 12 pages will be charged for pages exceeding the limit.

>>>Submission Methods

Submit your paper to [Online Submission System](#):
Or to asig_conf@outlook.com

IMPORTANT DATES

Final Submission Deadline: June 30, 2026

Notification Deadline: July 30, 2026

Registration Deadline: August 15, 2026

PROGRAM OVERVIEW

Day 1 | December 4, 2026

- 10:00 - 17:00 Sign in and Material Collection
- 14:00 - 16:00 Committee Conference

Day 2 | December 5, 2026

- 09:00 - 12:00 Opening Ceremony & Keynote Speeches
- 13:30 - 18:00 Invited Speeches & Technical Sessions
- 18:00 - 19:30 Dinner

Day 3 | December 6, 2026

- 09:00 - 12:00 Invited Speeches & Technical Sessions
- 13:30 - 18:00 Technical Sessions

RITSUMEIKAN UNIVERSITY

Ritsumeikan University (立命館大学) is a private university in Kyoto, Japan, that traces its origin to 1869. With the Kinugasa Campus(KIC) in Kyoto, and Kyoto Prefecture, the university also has a satellite called Biwako-Kusatsu Campus (BKC) and Osaka-Ibaraki Campus(OIC).

Today, Ritsumeikan University is known as one of western Japan's four leading private universities, who is considered to be one of Japan's good universities, and is especially well known for its International Relations programme which has been ranked as first place in Japan.
